

How to lubricate your

# Trombone

**Clean** your  
hand slide  
**regularly**  
and re-lubricate

Use a **quality**  
**slide cream**  
or **oil** to  
lubricate your  
**hand slide**

Use a  
**synthetic**  
**rotor oil** to  
lubricate your  
valves

**Well lubricated**  
valves and slides will  
**prevent** many issues  
from occurring
